

Custom License Plate Frame

\$79.99 / \$94.99

Standard Custom & Ultra-Premium Custom · Real forged carbon fiber · Made to order

*Real customer builds — Supra, Team Speed Demon and Raptor. Actual product photography, no renders.*

MATERIAL — REAL FORGED CARBON FIBER

This frame is real forged carbon fiber — genuine chopped-tow carbon fiber composite, laid up and cured by hand, then finished in a deep-gloss UV-resistant clear coat. Not printed vinyl, not hydro-dip, not plastic. Your custom lettering is precision-cut automotive vinyl applied over the carbon after proof approval.

SPECIFICATIONS

BASE MATERIAL	Real forged carbon fiber composite
FINISH	Hand-laid forged weave + gloss clear coat
LETTERING	Precision-cut vinyl (never printed)
VINYL COLORS	Full rainbow range — Standard tier: White, Black, Red, Silver

WHAT'S INCLUDED

- 1 custom real forged carbon fiber frame
- Your text, font and vinyl color, cut to order
- Ultra tier: specialty vinyls & display fonts
- Blackout hardware and matte screw caps
- Install instructions + care card
- Rigid protective packaging
- Digital design proof before production

TIMELINE & SHIPPING

Digital proof in 24-48 hours after ordering.
Approx. 2 weeks (10-14 business days) build time after your approval.
FREE U.S. shipping with tracking.
International: we cover 50% of tracked worldwide shipping.

CARE & POLICY

Wipe gently with a microfiber cloth and mild soap. Avoid harsh solvents, abrasive brushes and high-pressure water aimed directly at the vinyl. Because every frame is made to order, custom text approved at the proof stage is non-returnable — defects, our mistakes and shipping damage are 100% covered when reported within 7 days of delivery.
